

2014

Sanctuary Square is located in the heart of Lower Price Hill, a highly distressed neighborhood.

This project involved renovating three historic buildings to support educational programs, social services and community events.

With this renovation, property owner Education Matters had the capacity to double enrollment in certain programs.

Renovation of The Community Market transformed the facility into a Client Choice Food Pantry, providing healthy food options in a neighborhood with no grocery store.

IMPACT

- Improved access to healthy food in a low-income community
- 45 construction jobs
- 12 new permanent jobs + 7 retained

\$1,358,000 EQ2 Fund
\$642,000 Cincinnati Fresh Food Fund
